DSE04XX Series	
Decoded 2D scan module- RS232 interface- Remote scanner. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0451-R
Decoded 2D scan module- RS232 interface with RJ45 Connector Board and Remote scanner. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0451-R-S
Decoded 2D scan module- RS232 interface with RJ45 Connector Board. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0451-S
Decoded 2D scan module- RS232 interface. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0451
Decoded 2D scan module- USB interface- Remote scanner. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0421-R
Decoded 2D scan module- USB interface with Micro USB Connector Board and Remote scanner. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0421-R-K
Decoded 2D scan module- USB interface with Micro USB Connector Board. Minimum order quantity 10 units or multiple of 10, pricing is based on each single unit.	DSE0421-K
Decoded 2D scan module- USB interface. Minimum order quantity 16 units or multiple of 16, pricing is based on each single unit.	DSE0421
DSE0420 2D Decoded Scan Engine, USB. Minimum order quantity 16 units or multiple of 16, pricing is based on each single unit.	DSE0420
DSE0420 2D Scan Engine, Demo Kit	DSE0420-D
