

OUR SOLUTIONS AT SITL EUROPE 2012

Datalogic Automation and Accu-Sort System, the Company recently acquired from Datalogic Group, look forward to seeing you at the next edition of SITL Europe, that will be held in Paris from March 27th to 30th, to exhibit the innovations of our brand new products that offer improved solutions in the Transportation and Logistics Industry.

Datalogic Automation offers the widest range of its innovative solutions for T&L, with a particular focus on its new 2D Image-based reader, Matrix 450™.

Also Accu-Sort System will display its T&L innovative tools and solutions.
